BENALUP

GOLF WEEK WITH GOLF CLINICS

Based at the Fairplay Golf and Spa Resort, Benalup, Spain

6th - 13th October 2018

HOSTED BY BARNEY PUTTICK

We are delighted to be returning to the Fairplay Golf & Spa Resort in Benalup on the Costa de la Luz. For a number of years, we hosted some superb weeks at the Resort, but the Resort then sadly closed due to difficult trading conditions. Now under new ownership however, and following a refurbishment of both the hotel and the golf course, the Resort is open once more and how delighted we are that this is the case.

The Resort is 5-star; the accommodation spacious and of very high quality, the facilities of the Resort are superb, and its setting is simply sublime. With the white washed village of Benalup just behind the Resort, both the village and the Resort, perched on top of a hill, look out over the most amazing Andalusian countryside. The setting is incredibly peaceful and relaxing.

Barney will be hosting the week, which is being run as a 'GolfWeek with Golf Clinics'. We wanted to take the opportunity to play three rounds at the Fairplay Resort, but also two at the quite delightful Montenmedio Golf Club, which is located close by, as well as offering the opportunity of the Golf Clinics.

The week presents the opportunity for some excellent golf, to fine-tune your game with the Clinics and to enjoy a truly wonderful Resort in one of the most peaceful environments imaginable. As I said at the beginning of this introduction, it is so good to have 'Benalup' back!

If you wish to book a place on the 'Benalup GolfWeek with Golf Clinics,' please let us know and we will send you the confirmation details accordingly.

ACCOMMODATION...

The Fairplay Golf and Spa Resort Spain

The south of Andalusia is one of the most attractive regions in Europe. Immersed in the wonderful countryside is the Fairplay Golf & Spa Resort, a superb resort located in a magical environment. The Resort features the newly renovated 5-star hotel, designed in a typical Andalusian style, an 18-hole golf course considered as one of the most attractive in Andalusia, and a Spa recognized with international prizes for his facilities and treatments. Furthermore, the Fairplay Golf & Spa Resort has different restaurants which feature the best local gastronomy as well as the finest International recipes. Take the opportunity too to stroll through the village of Benalup, with its steep narrow streets, its squares and stunningly beautiful views.

ACCOMMODATION...

The Fairway Resort Golf Club

The Fairplay course extends over 70 hectares of gently rolling grounds in the La Janda plain. The fairways and greens have been laid out in an ecologically responsible way in this lightly forested area, which were former grazing meadows for fighting bulls. Seven artificial water hazards provide added challenges, visual attraction and variety to the course. The course also boasts large undulating greens, which were laid out by the English architect Gordon English. On a clear day, the views from the course encompass the surrounding mountains and the coast of Africa in the distance across the Strait of Gibraltar.

Montenmedio Golf Club

The Montenmedio golf course is unique and different from all Spanish courses. Not a single building affects its fairways and greens; the course is simply surrounded by forests of wild olive trees, oaks, and pines. Montenmedio offers stunning views over white villages such as Vejer; Benalup, Medina, as well as the Atlantic Ocean and across the Strait of Gibraltar to the Tangier and Espartel on the African coast. Playing 18 holes on the course is always fun and indeed surprising, with deer, rabbits, ducks and other animals often forming a gallery as one migrates around the course.
