## GOLF WEEK

Based at the Iberostar Bouganville Playa Hotel, Costa Adeje

**11th - 18th November 2017**

HOSTED BY BARNEY PUTTICK

**Following the tremendous success of the 2016 Tenerife GolfWeek, a repeat of the tour was never going to be in question for 2017. Barney will again be hosting the week, which provides a popular respite from the British winter.**

For this year's tour Las Americas Golf Club, one of the finest courses on the Island and which in 2016 was ultimately unavailable due to a lack of available tee-times, will be played twice, such is the quality of the course. Rounds will also be played on Costa Adeje, Golf del Sur and Amarilla, which represents a fine week of golf. We have also enhanced the accommodation this year, as the breakfasts at last year's hotel were not great. The accommodation this year is at the Iberostar Bouganville Playa Hotel in Costa Adeje, which presents excellent accommodation, a super setting by the ocean and is superbly located for the many restaurants in the area. With regards to the social side to the tour, Barney will again arrange restaurants each evening, thus ensuring that you experience some of the best golf and cuisine that Tenerife has to offer.

If you wish to book a place on the 'Tenerife GolfWeek' please let us know and we will send you the confirmation details accordingly.

*David Short*

# ACCOMMODATION...

## **The Iberostar Bouganville Playa Hotel Costa Adeje**

The Iberostar Bouganville Playa Hotel is located in Costa Adeje, just 200m from the famous Playa del Bobo beach. With spacious and modern bedrooms, attentive and professional staff, three outdoor pools surrounded by a sun terrace, and a gym, the hotel provides the ideal setting for our week in Tenerife. What's more, we'll find the shops, restaurants and bars in the Pueblo Canario area, just 50 metres away from the hotel.

---

# THE GOLF COURSES...

## **Golf Costa Adeje Championship Course**

The Costa Adeje course has been designed by integrating the natural characteristics of the area into the course. The original wall stones, used to demarcate the former banana plantations located on these grounds, were totally restored and added to the other original landmarks of this wonderful golf spot. The course provides a good, but fair challenge to players of all abilities.

## **Las Americas Golf Club**

Located in the resort of Playa de las Americas, the Golf Las Americas course overlooks the sea and has been host to a number of important Spanish Championships. The 18 hole, par 72 course features a number of lakes and water-filled ravines. It is noted for its excellent maintenance and its professionalism. The course which covers over 90 hectares of land is situated in the heart of Playa de Las Americas. One of the most notable features are the streams, ravines and lakes, which cross the course. Water comes in to play on the 1st, 2nd, 3rd, 5th, 12th, 13th, 17th and 18th holes. The Clubhouse overlooks the 18th fairway and green and both the 1st and 10th tees are also located close to the Clubhouse. The course is one of the finest in Tenerife, and justifiably will be played twice during the course of the week.

## Golf del Sur Golf Club

The Golf Del Sur course opened in 1987, with a professional tournament, has hosted since then many competitions at the highest international level since. During the years 1989, 1992, 1993 and 1994 it hosted the Tenerife Open, belonging to the PGA European Volvo Tour, with victories of José María Olazábal in its first two editions and of David Gilford and Mark James, in the following years. In 2002, Golf del Sur took hosted a new international tournament, and on this occasion the leading role went to ladies with the first Tenerife Ladies Open tournament, part of the LPGA European Evian Tour. This was the first Ladies Open to be played in Spain after many years. Golf del Sur, first designed by Pepe Gancedo was then remodelled in 2005 by Manuel Piñero (Links and North Course) and has become the first Golf Club in the Canary Islands to have three competition courses. Each of the courses offers interesting rounds where our attention will be caught by the volcanic black sand bunkers, the huge greens and the wide fairways.

## Amarilla Golf Course

On the southern coast of Tenerife, bordering the sea, we find the Amarilla Golf and Country Club. The character of the 18-hole course is marked by the incredible views of the Atlantic Ocean which without a doubt inspired golf architect Donald Steel. The golf course provides a challenge for the professional golfer; whilst at the same time offers an attractive and enjoyable game for those of a more modest ability. From the first tee, we discover the spectacular ocean views. The 2nd, 3rd and 4th holes are surrounded by a broad variety of typical Canarian flora, enormous Cannas Indicas, the beautiful Washington Palms and the very exclusive Canarian Pines. The most impressive part of the course reaches its peak at the 5th hole. This is truly a gem, where the sea becomes a fairway, making it necessary to cross in order to reach the green.

# ITINERARY
