

DAVID SHORT GOLF ESCORTED TOURS

ALGARVE CHRISTMAS GOLF TOUR

Thursday 21st - 28th December 2017

For Christmas 2017 we return to the superb Robinsons Club in Tavira. The Robinsons Club, which has also been our 'Christmas home' for some years now, as well as the location of most of our Portuguese 'Golf & Coaching' weeks, provides high class accommodation, superb service, excellent cuisine and a wonderfully relaxing setting. The terms of stay are also 'All-Inclusive,' thus providing excellent value for money. This year we will play two rounds each on Quinta da Cima and Quinta da Ria, both of which are on-site, as well as a round on the fabulous Monte Rei course, which is just a short drive away.

Throughout the Tour, there will also be the opportunity for some informal golf lessons. Simply let me know if you would like some tuition and if so, clinics will be arranged accordingly.

To book your place on the Christmas Golf Tour, please contact us and we will send you the confirmation details accordingly.

ALGARVE

CHRISTMAS GOLF TOUR

ACCOMMODATION

THE ROBINSONS CLUB

★★★★

The Robinsons Club, opened in 2008, presents a superb combination of quality accommodation, service, cuisine and facilities. The resort simply provides the very highest standards on all fronts. The resort is also very close to the charming Algarve town of Tavira. The bedrooms are all modern in style and come equipped with two bathrooms, one of which features a shower. In-room amenities include a hairdryer, a make-up mirror, a direct dial telephone, a safety deposit box, a mini bar, satellite

TV and an individually regulated air conditioning and a heating system. Internet access is available and the beds are double or king-size. Balconies and terraces also feature. The hotel features an outdoor pool and a heated indoor pool and the well equipped gym has ocean views. There are also four tennis courts, a spa area with two saunas, steam rooms and a solarium. The terms of stay at the hotel are now 'All Inclusive' which encompasses breakfast, lunch, dinner, snacks throughout the day and all but a few drinks. Both Quinta da Ria Golf Club and Quinta da Cima Golf Club are located on-site.

THE COURSES

QUINTA DA CIMA GOLF CLUB

Compared to Quinta da Ria, the Quinta de Cima Golf Course looks and plays more like a top tournament course. This is not only a matter of length but also balance and difficulty of holes. From the very first tee of Quinta de Cima we will need to carefully consider our game strategy, with choice of club and ball trajectory. Hazards are definitely very much in play on all holes, whether it is the well designed and cleverly located bunkers or the water hazards in the shape of lakes, streams and ditches.

QUINTA DA RIA GOLF CLUB

The Quinta da Ria course is a wonderful golf course located on a cliff overlooking the most beautiful inlet of the Ria Formosa nature reserve and the Atlantic Ocean. The absence of building sites and excellent green keeping make it an excellent golf course to play and to enjoy the spectacular views. The course comprises of two loops of 9 holes. Five lakes present various challenges as the round unfolds. The greens are undulating and well protected by bunkers. More than 300 trees, such as olive and carob trees have been transplanted in order to maintain the ancient border of the Quinta da Ria Golf Course and the typical features of the region landscape.

MONTE REI GOLF CLUB

Award winning golf designer and legend, Jack Nicklaus has created a golfing masterpiece, the first of his 'Signature Courses' to reach the Algarve and Portugal, and one of very few in Europe. The par 72 championship course plays over 6,500 metres, meandering over gentle hills and valleys, in what Nicklaus believes "a great setting with awesome views". The presentation of the course is highly individual, from the shape of the holes to the cut of the bunkering. The attention to detail is quite unbelievable, making each hole as remarkable as the next. Not only is the golf course superb, but the service at the Golf Club simply sets the bar at the highest point. From the moment we arrive, we will embark on an experience that we will not forget.
