

DAVID SHORT GOLF PRESENTS

Bermuda

GOLF TOUR

Based at the Fairmount Southampton Resort

June 28th – July 8th 2018

TOUR HOST - DAVID SHORT

Golf in Bermuda, sounds good, doesn't it? And it is, and that's an understatement too! The sense of a bygone Colonial era, with Britishness to the fore, complimented by the glistening Atlantic Ocean, a superb coastal setting, marvellous old buildings full of character and charm, and of course a number of quite superb golf courses. Yes, Bermuda has it all, that quintessential feeling of stepping into a unique age, where you can lose yourself in the quaintness and charm of it all for ten days.

Add to the stunning location, one of the best hotels on the Island, the Fairmont Southampton Resort, and seven rounds of golf on the four best golf courses in Bermuda, and the tour will quite simply be one to remember.

I must refer however, to our single clientele. We always do our utmost to try and ensure that we select venues where single room supplements are not prohibitive. On this occasion however, with the way the hotel structures its room rates (they charge per room regardless of the number of occupants), we are defeated. The single room supplement is hideously expensive; there is no other way to describe it. If you would be prepared to twin up with a friend however, or if you decide that a trip to Bermuda is worth the financial pinch, then we will do everything possible to spoil you rotten during the course of the trip! I will now let the imagery do the talking!

To book your place on the 'Bermuda Golf Tour,' please contact us by phone, email, or via the web-site booking links and we will send you your confirmation details.

Accommodation...

The Fairmont Southampton Resort

Perched on Bermuda's stunning south shore with miles of pink sandy beaches, the luxurious Fairmont Southampton Resort sits on nearly 100 acres of land, dotted with lush bougainvillea and towering coconut palms. It is the very essence of Bermuda.

The Fairmont Southampton Resort's spacious bedrooms, many with sweeping views of the Atlantic Ocean, are wonderfully appointed with private balconies, walk-in closets and marble bathrooms.

The Resort offers unparalleled amenities throughout the property. Relax at the resort pool, or pull up a chaise lounge at the sprawling oceanfront beach club with a Dive Centre, tennis courts, and more. Unwind in the Willow Stream Spa with an indoor pool and fitness facility, or tee off on the 18-hole par-3 championship Turtle Hill Golf Club, which is a super compliment to the four courses that we are playing.

And with regards to dining, the Fairmont Southampton Resort caters for even the most discerning palates with an impressive range of 10 restaurant options located on-site.

The Golf Clubs...

The Mid Ocean Club

The Mid Ocean Club was established as a private members Club in 1951. Situated in the picturesque Tucker's Town, the course offers unrivalled facilities to a strong international community of Members, their guests and visitors alike. A true home away from home, Members from the four corners of the world are drawn back to its peaceful rolling greens, private beaches, and the warm embrace of the Clubhouse.

The Tuckers Point Golf Club

Originally designed in 1932 by Charles H. Banks, the course was enhanced in 2002 by Roger Rulewich, the former chief designer for Robert Trent Jones. We will traverse undulating fairways with many elevated tees, while coping with the varying speed and direction of changeable winds. Many holes and greens boast dramatic water and overland views, and the greens feature TiffEagle, a Bermuda-grass hybrid that makes for a quick putting surface.

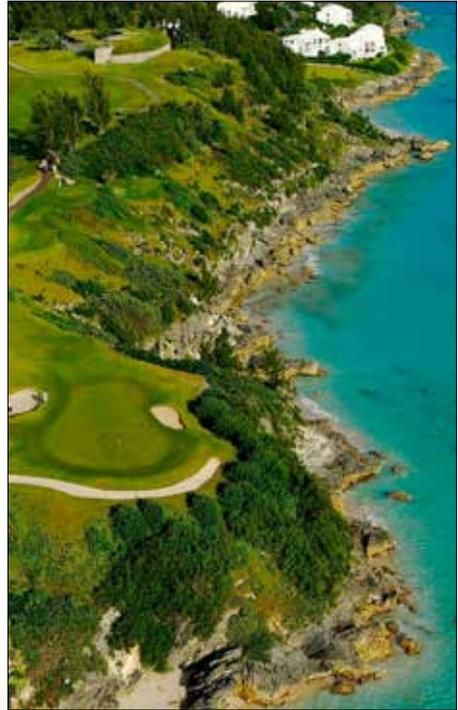

The Golf Clubs...

The Belmont Hills Golf Course

Featuring 6,100 yards of strategically laid out bunkers, multi-tiered greens and slender fairways, this world-class golf course offers a challenging test for players of all handicaps. Panoramic views of the bustling Hamilton Harbour and the Great Sound provide an inspiring accompaniment to every shot. The 17th and 18th holes in particular, are among the finest finishing holes in the game.

The Port Royal Golf Course

We will play two rounds at the recently renovated Port Royal Golf Club, with its lush TifEagle greens, cutting-edge irrigation system and sweeping water views from nearly every hole. The signature 16th hole is considered one of the premier par-3 holes in golf, offering a clear shot across the ocean to the green, which is perched on a coastal peninsula! One round on the course is not enough, two only just so!
