

DAVID SHORT GOLF

TAVIRA

CHRISTMAS GOLF TOUR

Based at the Robinson Club, Tavira, Portugal
22nd - 29th December 2018

HOSTED BY DAVID SHORT

For Christmas 2018 we return to the superb Robinson Club in Tavira. The Robinson Club, which has also been our 'Christmas home' for many years now, as well as the location of a number of our Portuguese 'Golf & Coaching' weeks, provides high class accommodation, superb service, excellent cuisine and a wonderfully relaxing setting. The terms of stay are also 'All-Inclusive,' thus providing excellent value for money. This year we will play two rounds each on Quinta da Cima and Quinta da Ria, both of which are on-site, as well as a round on the superb Quinta do Lago South course, which is just a short drive away.

Throughout the tour, there will also be the opportunity for some informal golf lessons. Simply let me know if you would like some tuition and if so, clinics will be arranged accordingly.

This year we are running two Christmas tours, and indeed two New Year tours. Whilst I am hosting the Tavira tour, Barney will be hosting a week based in Vilamoura, playing five courses local to the area. For both the Christmas and New Year weeks, we want to provide the option of either having an on-site venue, or the opportunity to stay in a central hotel, playing five local courses.

To book your place on the Tavira Christmas Golf Tour, please contact us and we will send you the confirmation details accordingly.

CHRISTMAS GOLF TOUR

THE ROBINSON CLUB

The Robinson Club, opened in 2008, presents a superb combination of quality accommodation, service, cuisine and facilities. The resort simply provides the very highest standards on all fronts. The resort is also very close to the charming Algarve town of Tavira. The bedrooms are modern in style and come equipped with two bathrooms, one of which features a shower. In-room amenities include a hairdryer, a make-up mirror, a direct dial telephone, a safety deposit box, a mini bar, satellite TV and an individually regulated air conditioning and a heating system. Internet access is available and the beds are double or king-size. Balconies and terraces also feature. The hotel features an outdoor pool and a heated indoor pool and the well equipped gym has ocean views. There are also four tennis courts, a spa area with two saunas, steam rooms and a solarium. The terms of stay at the hotel are now 'All Inclusive' which encompasses breakfast, lunch, dinner, snacks throughout the day and all but a few drinks. Both Quinta da Ria Golf Club and Quinta da Cima Golf Club are located on-site.

QUINTA DA CIMA GOLF CLUB

Quinta de Cima looks and plays more like a top tournament course. This is not only a matter of length but also balance and difficulty of holes. From the very first tee of Quinta de Cima we will need to carefully consider our game strategy, with choice of club and ball trajectory. Hazards are definitely very much in play on all holes, whether it is the well designed and cleverly located bunkers or the water hazards in the shape of lakes, streams and ditches.

QUINTA DA RIA GOLF CLUB

The Quinta da Ria course is a wonderful golf course located on a cliff overlooking the most beautiful inlet of the Ria Formosa nature reserve and the Atlantic Ocean. The absence of building sites and excellent green keeping make it an excellent golf course to play and to enjoy the spectacular views. The course comprises of two loops of 9 holes. Five lakes present various challenges as the round unfolds. The greens are undulating and well protected by bunkers. More than 300 trees, such as olive and carob trees have been planted in order to maintain the ancient border of the Quinta da Ria Golf Course and the typical features of the regional landscape.

QUINTA DO LAGO GOLF CLUB – SOUTH COURSE

The Quinta do Lago South course is the crown jewel of Quinta do Lago. Designed in 1974 by William Mitchell, who introduced American-standard greens, tees and bunkers to the Algarve. Soon the course gained a prestigious reputation and became a flagship on the European Tour.
