## GOLF & COACHING WEEK

Based at the The Melia Hacienda del Conde Hotel, Tenerife  
**3rd - 10th November 2018**

HOSTED BY BARNEY PUTTICK

**The objective of the David Short Golf 'Golf & Coaching Weeks' is to provide long term improvement to your golf game, whilst providing you with the opportunity to play some fascinating golf courses. You will learn the keys that will ensure continuing improvement to all parts of your game, as well as learn how to take your game to the course and how to develop your course management skills in order to play your best golf. Please note that the 'Golf & Coaching Weeks' are not suitable for novices.**

For many years' we have taken the 'Golf & Coaching Weeks' to different locations across Europe, Africa and the South-East Asia. Following a tremendously successful week last year, we are returning to Tenerife and the quite wonderful Melia Hacienda del Conde Hotel, with the coaching and golf taking place at the nearby Buenavista Golf Club. The hotel which is located to the north of the island is a haven of luxury and relaxation, and the golf course, designed by Seve Ballesteros, provides excellent facilities, a superb setting and an ideal playing challenge too. There are only 12 places available on the week, and I suspect that this trip will again prove to be immensely popular; hence early booking is recommended.

If you wish to book a place on the 'Tenerife Golf & Coaching Week', please contact us and we will send you the confirmation details accordingly.

## ACCOMMODATION...

### **The Mella Hacienda del Conde Hotel, Tenerife**

The hotel is a spectacular resort set in a privileged location in the northwest of Tenerife, next to the Teno cliffs. The hotel is surrounded by the Buenavista golf course and with imposing views of the Atlantic Ocean, the area is considered a protected natural park and is also known for its mild climate all year round. The Resort is perfectly integrated with its natural environment and has been built and designed in colonial Canary Islands style. Spacious, elegant rooms, quality service and fantastic swimming pools with views of the ocean are what await us. Add to this the best local and international cuisine; a great YHI Spa in which to relax and lounges which are perfect for guests wishing to wind down and relax. These are just some of the characteristics that make the hotel a jewel on the coast on the beautiful island of Tenerife, and the perfect location for a Golf & Coaching week.

## The Buenavista Golf Club

The Buenavista Golf Club is a magnificent 18-hole golf course, designed by Severiano Ballesteros, and set in stunning natural surroundings. The course is located on the north-western tip of the island of Tenerife, in an area protected by the Cordillera de Teno mountains and has the most beautiful views of the Atlantic Ocean. At the Golf Club, there is a Club House with a restaurant and the golf academy, which we will use for the coaching programme. Surrounded by lakes, waterfalls, cliffs and incredible sea views, the course offers the chance to combine all the techniques a golfer needs with natural beauty, peace, silence and a quality round of golf. Both the hotel and the Golf Club are ideal for the Golf & Coaching week.
