## GOLF WEEK

Based at the Cotsa Meloneras Resort  
9th - 16th February 2019

**For the 2019 winter season we want to ensure that we have some week long European Golf Week options to escape the winter blues, as well as the longer-haul Golf Tours.**

And the destination for February is Gran Canarias, where the weather is on average a very pleasant 18-degrees during the day. We are returning to the excellent 4-star Lopesan Costa Meloneras Resort, and we will play five rounds of golf during the week. Considering recent requests, four of the rounds will be played on the Resort's two courses, Meloneras and Maspalomas and one at the most enjoyable Anfi Tauro golf course. Indeed, three of the rounds will be played on the Meloneras course, which is a super course and well worth playing on several occasions. We also have private transfers booked to the golf courses each day.

The terms of stay are 'Dinner, Bed & Breakfast', which allows for a more relaxed pace in the evenings, and dinner can be taken earlier than if we were dining off-site each evening. As with all our events, we put a considerable focus on the social experience, as well as playing some superb golf courses. Our aim is always for you to have a wonderful week of golf, dining and socialising in the company of like-minded golfers.

To book your place on the 'Gran Canarias GolfWeek' please contact us and we will send you your confirmation details.

## THE COSTA MELONERAS RESORT

The Lopesan Costa Meloneras Resort, Spa & Casino, a 4-star superior hotel is located on the seafront, a few metres from the Nature Reserve of Maspalomas Dunes, in southern Gran Canarias. Surrounded by beautiful gardens, the hotel offers everything we need to spend an unforgettable week of rest, leisure and entertainment.

In the manner of a palace built in the typical colonial architecture of the island, the hotel is surrounded by a lush tropical garden with an area of 76,000 m<sup>2</sup>, with 2,000 palm trees of nearly 100 different species and subspecies. The hotel has a large choice of restaurants and there's regular live entertainment too, whilst pampering comes courtesy of the luxury spa.

## THE GOLF CLUBS...

### Meloneras Golf Club

The Meloneras golf course is an oasis of palm trees and lakes, with the nature of the Canary Islands as its true protagonist. The golf course is located strategically between the Maspalomas dunes and the yacht harbour of Pasito Blanco, just in front of Meloneras beach. At the same time, the course presents panoramic views of the island's mountains.

### Anfi Tauro Golf CLUB

The 18-hole championship golf course at Anfi Tauro Golf opened in 2006 and covers an area in excess of 650,000m<sup>2</sup>. Renowned golf course designers Von Hagge, Smelek and Baril, designed the Arizona style course and are highly acclaimed for their challenging and innovative designs. Anfi Tauro provides an idyllic visual backdrop to a privileged coastal setting, where we will enjoy an impeccably maintained course. The course is set in acres of lush green gardens with rich vegetation, lakes and waterfalls and is enclosed by the impressive volcano shaped mountains. It is the remarkable location that makes the Anfi Tauro golf course so unique.

### Maspalomas Golf Club

The Maspalomas golf course is surrounded by the Natural Park of the Dunes of Maspalomas, a feature that sets its mark on the course design, created by Mackenzie Ross. The course is flat and extensive with long and broad fairways. The proximity of the sea and the gentle breeze turn a game on this course into the most pleasant experience, thanks to the refreshing influence of the trade winds. The 18-hole, 73 par course has hosted a number of international events.
