I promise you that this tour is rather special! The Costa Navarino Resort may not yet be a familiar name, but it certainly soon will be, such is the quality of the Resort and the setting. Costa Navarino is located in Messinia, in the south west Peloponnese region of Greece. The location is one of the most unspoiled and breathtaking landscapes in the Mediterranean. The philosophy behind the Resort was driven by a genuine desire to promote Messinia, whilst protecting and preserving not only its natural beauty but also a remarkable cultural heritage spanning 4,500 years. And it has done just that.

Costa Navarino is home to two 5-star deluxe hotels, The Romanos, a Luxury Collection Resort and The Westin Resort, Costa Navarino, where we will be staying. The Resort also features two signature golf courses, over 20 fine dining venues, a wide range of other sports, outdoor and cultural activities, plus an array of other 5-star services.

The two golf courses are also world class. Named 'European Golf Resort of the Year 2017' by the global golf tourism association IAGTO, Costa Navarino offers a superb golf experience with its two 18-hole signature courses. The Dunes Course, set in diverse natural scenery with spectacular sea and river views, takes its name from the tall dunes that separate several holes from a golden beach, whilst The Bay Course offers panoramic sea and mountain views, with two holes playing along the historic Bay of Navarino.

This is a week immersed in quality, with a quite superb hotel, two breathtaking golf courses and a setting that we just won't want to leave!

Accommodation...

The Westin Resort Costa Navarino, Greece

Such is the quality of The Westin Resort, that it has been voted one of the best resorts in Greece and one of the foremost holiday destinations in Europe. In 2017 The Westin Resort Costa Navarino was voted among the Best Resorts in Europe in Condé Nast Traveler Reader's Choice Awards. The spectacular Resort is set on a hillside overlooking the enchanting Ionian Sea. The Resort features an exceptional range of deluxe rooms and suites overlooking the sea, swimming pools and the golf courses, as well as a wide array of leisure and entertainment choices. Costa Navarino invites us to discover the ultimate luxury travel destination in Greece and become part of its story.

The Golf Clubs...

The Dune Course

The impressive seaside Dunes Course was designed by former two times US Masters Champion and Ryder Cup captain Bernhard Langer in association with European Golf Design. The championship course, set in a landscape of diverse topography with spectacular sea and river views, incorporates some links-style features in areas closest to the sea, with tall dunes dividing some of the holes adjacent to the golden beach. Parts of the course venture into olive and fruit groves, while some holes run along a small river that meanders through the site.

The Bay Course

Just a few minutes from Navarino Dunes, at the Navarino Bay development, the Bay Course offers an alternative set of challenges and choices in a quite different setting. Designed by internationally acclaimed architect Robert Trent Jones Jr, the par 70 course places a greater emphasis on strategic play and positional golf than The Dunes Course. The Seaside, Canyon, and Grove holes provide striking contrasts that create a dramatic and memorable golf round.
