www.davidshortgolf.co.uk

Join us as we return to Morocco for the first time in eight years and stay at the wonderful Palmeraie Golf Palace Hotel & Spa, located on the outskirts of Marrakech. The Palmeraie Palace Hotel is one of the finest hotels in Marrakech, with excellent accommodation, facilities and cuisine.

The golf programme for the week includes four rounds on the Robert Trent Jones senior designed Palmeraie golf course, one round at the Royal Marrakech Golf Club, as well as the option of three Golf Clinics. The Palmeraie golf course, with spectacular views of the surrounding Atlas Mountains, its natural vistas and seven sparkling lakes, is one of the very best in Morocco. Royal Marrakech Golf Club has been part of the fabric of Marrakech for many years and the course is a personal favourite of His Majesty King Hassan II. The three Golf Clinics also provide the opportunity for Barney, one of leading PGA Teaching Pro's in the UK, to review and assist with all aspects of your game as required.

As well as the golf, there will be a half-day City tour on the Wednesday afternoon, as well as two dinners at local restaurants and five dinners on-site at the hotel and a lunch at Royal Marrakech Golf Club. There are in fact 11 restaurants to choose from at the Palmeraie Palace Hotel. All of the dinners, and indeed lunches, are included within the tour cost.

As with all our trips, we do all that we can to ensure that the events are super social occasions, with everyone dining together and collectively enjoying the experience of being in Morocco.

If you wish to book a place on the 'Morocco Golf Week with Golf Clinics', please contact us and we will send you the confirmation details accordingly.

Accommodation...

The Palmeraie Golf Palace, Marrakech ★★★★★

The Palmeraie Golf Palace is one of the establishment hotels of Marrakech. With character and charm, a super setting on the periphery of the City and with views of the Atlas Mountains, the hotel is the perfect location for the Morocco Golf Week. The spacious rooms feature quality fabrics and individual balconies, with views of the swimming pool, golf course or the Atlas Mountains. The hotel's 11 restaurants offer a range of traditional and international cuisine from Moroccan gastronomy to exquisite Italian and Asian dishes. Buffets and poolside snacks are also available. The hotel also provides a 5,000m² spa with an indoor swimming pool, Hamman, sauna, hot tub, fitness centre and hair salon.

The Golf Clubs...

Palmeraie Golf Club

When the international master Robert Trent Jones Sr. was presented with a perpetually limpid sky, the celebrated Palmeraie (Palm Grove) at Marrakech and the majestic Atlas Mountains, he created a 27 holes masterpiece, the Palmeraie Golf Club. He designed a spacious valley, its broad form broken by thousands of palm trees and embellished with seven lakes. Numerous sand hazards add the pearly whiteness of the Atlantic beaches to this lush scene, with the ochre walls and green tiles of the magnificent Moorish styled Club House forming a striking centre piece to the whole design. A super golf course, with very good practice facilities for the three Golf Clinics that are available throughout the week.

Royal Marrakech Golf Club

Built in the 1920's by the pasha of Marrakech, the Royal Golf Club is one of the longest established courses in Morocco. Constantly renovated and improved, it is also one of His Majesty King Hassan II's favourite courses. With good reason too, it is quite magical to play on this par 72 course, with its 27 holes, and with its setting at the bottom of the snow-covered Atlas Mountains. Add to this a

myriad of cypress, eucalyptus, palm, olive, orange and apricot trees! On completion of our round it is worth remembering some of those who have played before us on this course; Winston Churchill, David Lloyd George and Ike Eisenhower, to mention but three.
