

DAVID SHORT ESCORTED TOURS

TURKEY

GOLF WEEK

Based at the 5-Star Sirene Golf & Wellness Hotel, Belek

12th - 19th October 2019

We have long thought about touring in Turkey and now the time has arrived. The quality of the hotel resorts and the golf courses in Belek are very high indeed; hence the tremendous growth in golf tourism to Belek in the last ten years or so. The Resorts also offer very good value for money, with their 'All-inclusive' terms and with the transport infrastructure between the hotels and the courses. This may be our first tour to Belek in Turkey, but I am positive that it won't be our last!

We are staying at the 5-star Sirene Golf Hotel in Belek, which also hosts the Pasha and Sultan courses. There are also two off-site rounds, at Carya Golf Club and The National Golf Club. As with all of our tours and events, the social side to the trip, is just as important as the quality of the accommodation and golf. With everyone dining together, with informal competitions and prize-giving at the end of the week, we aim to ensure that the week will be one to remember both in terms of the golf and the camaraderie of the tour.

To book your place on the 'Turkey GolfWeek' please contact us and we will send you your confirmation details.

ACCOMMODATION...

THE SIRENE GOLF AND WELLNESS HOTEL, BELEK

The Sirene Golf & Wellness Hotel is located along the long beach of Belek and offers guests numerous restaurants, shops and venues for evening entertainment. After opening in 2004, this fantastic 5-star hotel has become one of the most popular golf hotels in Belek. The hotel is one of the best value all-inclusive resorts in Belek offering large bedrooms with a modern decor designed specifically for golfers and their needs and all come with balconies. The facilities provided are second-to-none and include four A La Carte restaurants, a buffet restaurant, a snack restaurant, a midnight snack restaurant and seven bars. There are also several swimming pools including one indoor pool, water slides and evening entertainment. The complex provides a spa and wellness centre with various treatments and facilities including sauna, Turkish bath and massage. A variety of water sports can also be found at the beach if required.

GOLF COURSES...

ANTALYA GOLF CLUB - PASHA COURSE

The Pasha course is well known for its stunning location. The course winds its way through crystal clear lakes and it borders the famous pine forests of the area, with the spectacular snow-capped Toros Mountains visible in the distance. The peace and tranquillity of this course is only ever broken by the occasional calls of the local Hoopoe birds, so is the perfect setting for a relaxing game of golf.

CARYA GOLF CLUB

The Carya course was inspired by the traditional old English style heathland courses such as Wentworth, Sunningdale, Walton Heath and The Berkshire. The construction of the course involved the planting of close to one million heather plants to strengthen the heathland environment that already existed. The Course is designed to challenge the best players, but at the same time be a thoroughly enjoyable experience for players at all levels. The Carya course has quite simply raised the bar even greater to the already popular and high standard of golf to be found in Belek.

NATIONAL GOLF CLUB

The National Golf Club is a truly magnificent course, which is routed thoughtfully across gently rolling terrain and through mature pine and eucalyptus trees. The snow-capped Taurus Mountains provide a provocative backdrop especially as the course is bathed in hot sunshine for the vast majority of the year. The 18-hole Championship Course, designed by Ryder Cup Player David Feherty and Seniors Tour Player David Jones, played host to the PGA European Turkish Seniors Open in 1996 and 1997.

ANTALYA GOLF CLUB - SULTAN COURSE

The Sultan course is the longer and more demanding of the two golf courses at Antalya Golf Club. European Golf Design and David Jones spared nothing to maintain the competitive level of the golf course, while at the same time blending it seamlessly into the forest environment. The golf course, which opened in 2003, places a premium on both length and accuracy, with water coming into play on 11 holes and with nearly 100 bunkers to avoid.

ITINERARY

Saturday 12th October:

- Arrive Antalya Airport
